Dear UNM WEST,

On behalf of the staff at Colinas Del Norte Elementary we wanted send you a big THANK YOU for your continued support of our Food for Kids Back Pack Food Program. As you know, the back pack food program provides a positive solution to help students who might not otherwise eat over the weekend at home. With your generous food donation we are able to help feed a hundred students on a weekly basis.

Your continued support has helped provide food for many children that would otherwise go without. While Road Runner food bank provides us some food, it is donations like yours that help the program continue.

Please know that your donation went straight to the students here at Colinas.

Our program would not run without help from generous "heroes" like yourself. We appreciate you for helping us provide our students with the much needed nutrition to feed their body, their minds, and their dreams of a better tomorrow.

We cannot thank you enough for thinking of our program and our students.

For your records, our tax identification number is 02236427007.

Sincerely,

Laura Moore Principal and
Clara Trimboli, Amber Byrd and Kathy Barber
Literacy Teachers/Back Pack Coordinators
