Dear UNM West Staff and Students,

We would like to express our sincere thanks for your continued support of our food programs at Colinas Del Norte Elementary.

As you were aware, many of our students here at Colinas Del Norte are not eating at night or over the weekends. The only food they receive is at school from the cafeteria. To help these students we have implemented many new programs to help our students and families this year. We now have a fully stocked food pantry on our school campus. We also have a Mobile Food Pantry that comes and delivers food once a month.

We are so very grateful that on a monthly basis your members continue to help us! Your volunteers show up each month and help us unpack pallets of food to distribute to families. We would not be able to help so many students without your continued support. It is so wonderful to have extra hands and extra smiles.

Your recent donation will go toward helping us purchase a new freezer for our food pantry. This will allow us to order more frozen meats each month for our families.

Please know your support is very much appreciated. You help to make sure that we are providing the most important school supply to our students—food.

For your records, our tax identification number is 02236427007.

Sincerely,

Laura Moore
